## **ELECTRIC ENGRAVER SIGN OUT SHEET**

Engrave your valuables with your Florida driver's license number to deter burglars and also prove ownership should the article be stolen and recovered by law enforcement. Keep a log of your valuables in a safe place. Please return the engraver within two weeks of sign out date.

| Signature               |                                 | Date |  |  |
|-------------------------|---------------------------------|------|--|--|
| Phone Number () _       |                                 |      |  |  |
| Address                 |                                 |      |  |  |
|                         |                                 |      |  |  |
|                         |                                 |      |  |  |

## PROPERTY IDENTIFICATION RECORD

Mark valuable property using an electric engraver with your Florida driver's license number. This number can be traced back to you in the event that marked stolen property is recovered by law enforcement. Avoid marking removable parts of the item. Valuables that cannot be marked should be photographed in detail with a description on the back of the photograph. Keep this log in a safe place.

| Florida Driver's License #   |  |  |
