

Answers to Wellpath Questions for RFP No. 1-572019 Inmate Health Care Services

- 1) 9/B. Background Information - There are no medical staff located at the South Lake District Intake Facility, there are 4-6 intakes per day here by security staff.
- 2) 25/2.A Staffing Schedule -Bidders should submit a matrix that shows FTEs by position, by day and shift.
- 3) 31/14. Housekeeping - Nursing staff is responsible to maintain NCCHC, ACA, FCAC and FMJS. If inmate workers are performing cleaning tasks, it is expected that they are trained by medical staff and in compliance with those standards.
- 4) 32/19. Contaminated Waste Disposal – Bidders are responsible for contaminated waste generated by or due to medical care, not waste generated by security.
